Mr. Caio Xavier da Silveira,  
Head of the Pro Europa Christiana Federation

In this terrible ordeal that continues to befall the Ukrainian people, the arrival of the medal of Our Lady of Zarvanytsia and St. Michael has been greeted by so many of our military and civilians as a comfort from Heaven and an encouragement to constantly renew our trust in the protection of our patron saints.

Numerous messages attest to the graces of protection and conversion received, not to mention the prodigious deeds associated with wearing this medal. A magnificent fruit of distributing one million of these medals, financed by the donors of several associations of lay Catholics, including yours. My heartfelt thanks to each and every one of them for their friendly and compassionate gesture to our people!

I want You to know that the demand for this legendary medal continues to grow, while the first million of these medals has almost been distributed. And so I ask to you once again: please, help us with your prayers; help us by sending more medals to protect us!

Ukraine is standing.  
Ukraine is fighting.  
Ukraine is praying.

With the assurance of my prayers and blessing

Most Rev. Mikhaylo (Koltun)  
Head of the Department of Military
